# DECEMBER 2018

TEACHER'S GUIDE

ADULT CONNECT CLASS CURRICULUM Dear Connect Class Teacher,

I wanted to take the opportunity to thank you for faithfully serving in many capacities here at FBCFW in addition to teaching weekly. During the month of December, we will not produce a comprehensive teacher or student guide for the curriculum; instead, we will provide you with the Scripture and themes for each week along with a suggested outline which will be e-mailed to you in PDF form and available in printed form in your class. We request that you use the scriptural passages provided along with the themes for each week to prepare a lesson which the Holy Spirit guides you to deliver to your class. If you feel at any point that you need assistance in preparing or have questions regarding the passage, please feel free to e-mail me or contact the church office to set up a time we can meet. I'm always happy to help and offer guidance in whatever way you may need. Once again, thank you for your service and may God richly bless you as you prepare to teach during this holiday season.

Blessings,

Michael Neal
