

## Sovereignty of God's Ability to Give Life

Read [John 10:10](#)

Not only did God create life, He also gives life to His creation and eternal life to His children. Jesus did not come to ruin our lives or take anything away from us. On the contrary, He came to give life more abundantly to us. Since I came to faith in Christ, there are many things that I do not do or say anymore. Today, I want my words and actions to glorify Christ—the one who gave me this life and now lives within me. Jesus gave His very life for me and I owe Him everything. Abundant life isn't getting material possessions as some may think, but it's about guilt-free living with a purpose. I get mercy, grace, and love, that the Father gives so generously. He gives me so much so that I can use it to bless others. I can show mercy, give grace, and express love towards others in a profound way. I could not and did not do this before Jesus changed me into who I am today. I have an abundant life and you can have it too when you give your life to Christ.
